BRIGHT OUTLOOK FOR THE TECH. TEAM

"Happy" Eckstone Coaching the
Boys—Six Candidates for
Pitcher.

"Happy" Eckstone is getting along finely with his aggregation of baseball material at Virginia Polytechnic Institute, and he writes that he is very much encouraged with the outlook. He complains that the weather has been very bad, first snowing one day and raining the next, and that he has had very little time for outdoor work. He has been able to have the squad out only twice since he arrived in Blacksburg.

The V. P. I. team, he writes, will be very good. He has many applicants for every position. There are six fine youngsters for the pitching staff, and it is hard to tell which are the best. Worthington, of Washington, one of the applicants for the honor of working in the box, is six feet tall, strong of arm, and has plenty of speed. Johnston, who played center on the football team of last year, is another applicant for the honor, and he is likewise considered a good man. Other candidates are Russell, of Illinois; Rogers, of Bristol; and Smith, of Pennsylvania; Pritchard, of Central America; and Dammon, of Memphis, Tenn.

Ten men are out for catcher, but that is considered one of the weakest places, as is first base, although there is some good material for the initial bag. The candidates for the second base are also considered somewhat weak in the batting line.

Peter Sheppard, of Richmond, captain of the team, is out for shortstop, and James Shennett, also of Richmond, is out for third. They are both considered to be good men.

The outlook for the outfield is excellent, there being twenty men out for positions. Those who are best at handling the stick will land jobs on the outfield.

All things considered, the prospects for V. P. I. are bright. The team is a baseball team are exceedingly bright, and the student body is much pleased with the general outlook.

PRINCETON FRESHMEN BASEBALL MEN REPORT

Twenty-Six Candidates Answer
the First Call for
Material.

PRINCETON, N. J., March 13.—Twenty-eight TIGER youngsters responded to the first call for candidates for the freshman baseball nine this afternoon. Coach Don Doyle superintended the practice, which was of a very light and desultory nature, consisting of a short fielding drill and a tryout for the battery candidates. The number of men is considerably less than usual, and Managers Huston and Horton are urging more candidates to report.

The list of candidates is as follows: Detchon, Good, Westenhaver, Whitman, Dawson, McAllister, Townsend, Yeeder, Warner, Hrickson, J. Potter, Applegate, Ballin, Brady, Hastings, Woods, C. Potter, McDermott, Reed, Rods, Baldwin, Bissell, Birkenhauer, Farr, Scott, Spencer and Vermilye.

Gossip of the Boxers.

"Bar" Keyes and "Lew" Sheppard in a six-round bout will be the feature of the Long Acre Athletic Club's boxing tournament to-night. Another interesting event will be the bout between "Jack" Lee and "Lew" Meyers.

"Budd" Greenwald, a Chicago bantam-weight, and "Kid" Murphy are reported to be in line condition for their twelve-round bout before the Milwaukee (Wis.) Athletic Club next night. The boys will battle at 108 pounds for a purse of \$500.

"Jimmy" Britt has refused to box "Young Corbett" in New York next month. In consequence of Britt's refusal efforts are now being made to induce "Kid" Herman to meet Corbett.

George Anderson is out with a challenge to box any 116 or 118 pound pugilist a limited number of rounds for a side bet and purse.

"Bert" Edwards, of Brooklyn, has agreed to box the winner of the Coulton-Pittsford bout twelve rounds at 110 pounds in Milwaukee the latter part of next month.

George Menzies has posted a forfeit of \$1,000 and issued a challenge to "Battling" Nelson for a final fight. Menzies offers to meet Nelson at the featherweight limit.

"Johnny" Carroll, a Brooklyn middle-weight, has asked the officials of the National Athletic Club, of Philadelphia, to match him against "Jack" Blackburn or "Sailor" Burke.

"Budd" Greenwald announces his willingness to back "Jack" Dorman against "Jimmy" Briggs, of Boston, in a limited round bout.

HANNAN SCHEDULE IS SATISFACTORY

Richmond Management of Base-
ball League Only Wishes a
Fair Deal.

RICHMOND'S SATURDAY GAMES

Owing to Patronage Accorded
Here, the City Will Get Its
Fair Share.

Billy Hannan, of Norfolk, has sent in two schedules for the Virginia League games this year to be considered by the league owners when they meet here next Wednesday.

Captain Shaffer says that the schedules are splendid, and that they could be no better. They give a fair proportion of the games among the six teams, and as well as by all the other cities. There seems to be a disposition on the part of some of the other managers to think that Richmond is trying to get the best of everything—a supposition entirely without a basis of fact.

Richmond is holding out for all the week-end games because it is recognized by all concerned that Richmond is the best paying city in the league, and it is the week-end games that are always the most largely attended. At the first meeting of the league held some weeks ago, this point was agreed upon by all those present, and it is rather late in the day to register a kick at this time, or to grumble at the supposed or alleged greediness of the Richmond management.

Baseball is to-day a regular business, and it must necessarily be conducted along those lines which will bring the best financial results. Obviously, then, the having of the week-end games in this city will be for the welfare of the whole league, not for Richmond alone.

WANTS MORE MONEY.

Hicks Has Not Yet Signed With
Any Team.

"Pud" Hicks, the general utility man of the Richmond team last year, has not yet signed a contract with Danville, and he seems pretty well determined not to sign a contract with that city unless he is offered the salary which he thinks he is worth.

Hicks received one contract, but returned it because its terms were not to his fancy. He is ready to sign up when they see fit to offer him sufficient inducements.

Hicks is a valuable man for any team. He can play in almost any position, and he is a good man with the stick.

THE MID-WEEK HUNT.

Half a Dozen Riders Enjoyed a
Three-Mile Run.

A half-dozen or so of the members of the Deep Run Hunt Club went out yesterday afternoon for a three-mile hunt. The hunt was very short, but was much enjoyed, as those who rode to hounds do not usually follow them on the sterner chases of Saturday afternoon.

These mid-week hunts are now regularly established, more to exercise the hounds than for hunting.

Those who rode to hounds yesterday afternoon were Messrs. St. George, Evans, M. F. E., J. W. Anderson, Thomas Carter, Eugene Massie, Archer Anderson and James W. Graves.

BIGBIE ON LONG TRIP.

Local Outfielder to Play in Pa-
cific Coast League.

Stanley Bigbie, the well-known baseball player, left yesterday for Oakland, Cal., where he goes to play with a team of the Pacific Coast League. Bigbie is one of the best-known players that Virginia has sent out in later years, and he is working hard to make up with the other stars that have sprung into the limelight from the Old Dominion. Bigbie goes with the best wishes of his many friends.

PITCHER SMITH HURT.

Wrenches His Knee in Stepping
from a Carriage.

MEXICO CITY, MEX., March 13.—The first bad accident of the season has befallen the Chicago White Stockings, the champion baseball team of the world. Pitcher Smith, regarded by Fielder Jones as one of the most promising twirlers in the American League this season, to-day met with an accident which may keep him off of the diamond for several weeks by severely wrenching his knee.

While alighting from a carriage at the hotel entrance with his baby boy in his arms, Smith's foot slipped and he failed to catch himself in his eagerness to save the child from injury. Smith was carried into the hotel and his knee was cared for temporarily by Trainer Bordell.

DR. BARR LIKELY TO ACCEPT CALL

Spends Some Hours in Lynch-
burg in Conference With St.
Paul's Vestry.

HIS ONLY NAME CONSIDERED

Reported That He Asked if Call
Was Unanimous—Norfolk
Thinks He'll Go.

(Special to The Times-Dispatch.)
LYNCHBURG, VA., March 13.—Rev. Dr. William A. Barr, pastor of St. Luke's parish of Norfolk, came to Lynchburg last night and held a lengthy conference with the vestry of St. Paul's Episcopal Church, with reference to the call recently extended by the local parish to become its rector. Dr. Barr returned to Norfolk on the midnight train.

The result of the conference is that opinion seems to be divided as to whether Dr. Barr will accept the call, though he has as yet not indicated that he will do so. It is feared by some of his friends in the local parish that he will finally decide to remain with St. Luke's Church in Norfolk. However, it is believed in Norfolk that the decision will be favorable to the call, as a private telegram from that city this morning stated that he was almost certain to come to the local church.

Only Name Considered.

It is understood that Dr. Barr came to the city to confer with the vestry for the purpose of learning whether or not the call was a unanimous one, and, in event he should decide to accept it, would St. Paul's be willing to defer his making up the parish work in the summer and not at once. Dr. Barr was informed that the call was not a unanimous one, but that his name was the only one considered in the selection of a successor to Rev. Mr. Owens.

He was also told that it would be acceptable to the church if he did not accept the call, and that he was coming to Lynchburg until as late as September 1st.

As it can be learned Dr. Barr has not indicated what will be the probable decision in the matter, and he has not promised his answer under a week or ten days.

Certain He Will Accept.

(Special to The Times-Dispatch.)
NORFOLK, VA., March 13.—Rev. Dr. William A. Barr, pastor of St. Luke's Church, City, has returned from Lynchburg, where he went in connection with a call extended him to the pastorate of St. Paul's Church, City. While Dr. Barr has made no announcement as to his acceptance or rejection of the call, it is regarded as certain that he will accept it.

Dr. Barr came here seven years ago from Monumental Church, Richmond.

Second Battle of Manassas.

(Special to The Times-Dispatch.)
DANVILLE, VA., March 13.—Mr. J. B. Levy, one of the most prominent Odd Fellows of the State, and a native of Richmond, died here to-day. He was born in Danville, Va., July 12, 1827. He was one of the organizers of the old order of the Sons of Temperance, and was active for years with the Independent Order of Odd Fellows, being at one time State lecturer. He was a member of Pythians. He was a Confederate soldier, serving all four years of the war under General Longstreet. He fired the first gun at the Second battle of Manassas.
